## SERVICE INFORMATION

### BOOTH EQUIPMENT

Each 10' x 10' booth will be set with 8' high blue and brown back drape and 3' high blue side dividers. Booths 300 sq. ft. or less will receive a one-line identification sign. Booths larger than 300 sq. ft. may receive a one-line identification sign upon request. Note: All tables must be draped.

Please note that electrical service is not included with your booth equipment but to accommodate possible power requirements, electrical outlets will be installed in every inline booth. An audit will be conducted by electricians and on-site charges will apply if the electrical service is utilized without an order on file.

### EXHIBIT HALL CARPET

The exhibit area is carpeted. To enhance the appearance of your booth or if you want to upgrade to a specific color, rental carpet is available through Freeman. To save money please place your order online or refer to the forms and brochures section for the Carpet Brochure and Order Form.

### DISCOUNT PRICE DEADLINE DATE

**Order early to take advantage of advance order discount rates, place your order by February 03, 2017.**

### **HELPFUL HINTS**

#### **SAVE MONEY**

Order early to take advantage of advance order discount rates, place your order by February 03, 2017.

#### **AVOID DELAY**

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

#### **SAFETY TIPS**

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC's). Thank you for your cooperation.
