**CHICAGO FIRE DEPARTMENT REGULATIONS:**

In order to minimize the risk of fire and to keep exhibit halls in Chicago as safe as possible, the Chicago Fire Department has established the following regulations:

The Municipal Code states that nothing (for example: fiber cases, cartons, boxes, personal items, giveaways, etc.) may be stored behind or between exhibits booths or behind draperies. All materials that are needed for repacking purposes must be removed from the exhibit area. You may keep a one-day supply of literature or products at your booth. Accessible storage is available for additional promotional items or giveaways. Please see the General Service Contractor at the service desk for assistance.

The Chicago Fire Department strictly enforces these regulations.

HELPFUL HINTS

SAVE MONEY
Order early to take advantage of advance order discount rates. Place your order by MONDAY, MARCH 27, 2017.

AVOID DELAY
Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS
Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC’s). Thank you for your cooperation.
