CART SERVICE / PRIVATELY OWNED VEHICLES ONLY

POV EXPRESS

(Maximum Weight 250 lbs.)

To help alleviate the problems and frustrations associated with exhibitors carrying their small exhibit materials during move-in, Freeman is pleased to provide a cartload for one (1) round trip from the dock to your booth and from your booth to the dock for a charge of **\$222.00**. This service will be available during move-in and move-out.

A Cartload is defined as Privately Owned Vehicles (POV's) cars, small vans, 1/2 ton pick-ups, SUV's or company owned truck with a trailer length no greater than 12' in length.

Each cart will handle a load approximately 3' wide x 5' long and approximately 3' high. Due to safety reasons, it will be the judgement of the Freight Supervisor if the load can go higher than 3 feet. No individual cart will be more than 250 lbs. in freight weight.

If you arrive with truck/van or trailer filled with exhibit material you will not qualify for this service.

A POV, or privately owned vehicle, is considered to be any vehicle that is primarily designed to transport passengers, not cargo or freight. Examples include pick-ups, passenger vans, taxis, limos, etc.

A cartload is eight (8) pieces or less (**weighing less than 250 lbs. total**) There is one cartload allowed per vehicle.

Freight that is too large or heavy must be handled by Freeman at their freight handling rates. No personal trucks (1 ton & over), no rental trucks, or bobtails will be unloaded through cart load service.

To receive this service, proceed directly to the POV lot and watch for the Cartload Service signage.

Freight will be unloaded from the specific POV dock location designated by Freeman.
