- Thursday, November 4, 1 p.m.
- Friday, November 5, 8 a.m.
- Friday, November 5, 1 p.m.

Fire/Safety Aisles  
No Freight

Floor plan as of September 17, 2021

## TARGET MOVE IN SCHEDULE

This schedule refers to the date and time your delivering carrier must check into the marshaling area for the Orange County Convention Center to be placed in line for unloading (see marshaling yard directions in this section of your Exhibitor Kit).

This schedule is for the move-in of your exhibit and display equipment. You are not required to begin setting your display at this time.

**NOTE: Exhibitors bringing mobile equipment must consult the Mobile Vehicle Target Schedule in this section of your Exhibitor Kit.**

## RAIL VEHICLES - OVERSIZED PIECES

Due to extreme variances, handling of rail cars and oversized pieces will be quoted and targeted for move-in individually upon receipt of specific information. Arrangements must be made with Freeman at least 90 days prior to move-in for special requests, such as cranes and gantries, as well as for special handling of large equipment or machinery. To make arrangements for rail vehicles or oversized pieces contact John Ellis at:

[john.ellis@freeman.com](mailto:john.ellis@freeman.com)

## OFF TARGET

If you are unable to meet your assigned target date for any reason and wish to request a change, please contact Scott Gibson at:

[OrlandoTargetChanges@freemanco.com](mailto:OrlandoTargetChanges@freemanco.com)

**No targets will be changed without written approval from Freeman.**

## INBOUND FREIGHT TARGET SCHEDULE

**November 8 - 10, 2021**  
**Orange County Convention Center**  
**Orlando, FL**
