Wednesday, November 3, 8 a.m.

Wednesday, November 3, 1 p.m.

Fire/Safety Aisles
No Freight

TARGET MOVE-IN SCHEDULE FOR SELF & NON-SELF PROPELLED VEHICLES

This schedule refers to the date and time your delivering carrier must check in at the Orange County Convention Center to be placed in line for unloading of mobile vehicles.

Due to the scope of the show and aisle size, all mobile vehicles will be targeted for Wednesday, November 3, 2021. Please refer to this Mobile Vehicle map for your check-in time.

Carriers that are transporting mobile vehicles should have the capability of off-loading/loading without the use of a dock. If you have any questions, please contact Orlando Freight Operations Team at:

OrlandoTargetChanges@freemanco.com

Missing your mobile target date may result in not being able to access the booth space and not providing the opportunity to display your mobile vehicle. Provided we can access your booth area, a 25% surcharge of the

mobile rate fee (see Material Handling Form) will be invoiced to the exhibitor plus any other additional time & material charges incurred to accommodate mobile vehicle move-in (i.e., movement of another exhibitor's equipment or display) if you miss your mobile target date. Please complete the enclosed "Shipment Notification" form noting detailed information regarding your equipment.

RAIL VEHICLES - OVERSIZED PIECES

Due to extreme variances, handling of rail cars and oversized pieces will be quoted and targeted for move-in individually upon receipt of specific information. Arrangements must be made with Freeman at least 90 days prior to move-in for special requests, such as cranes and gantries, as well as for special handling of large equipment or machinery. To make arrangements for rail vehicles or oversized pieces contact John Ellis at:

john.ellis@freeman.com

No targets will be changed without written approval from Freeman.

INBOUND FREIGHT TARGET SCHEDULE

November 8 - 10, 2021
Orange County Convention Center
Orlando, FL

Floor plan as of September 17, 2021
